

Setting Up NinjaResponder.com as Your Autoresponder

- Go to <http://www.NinjaResponder.com>
- Click on the “Order” tab
- Choose the plan you want
- Fill in your information to set up your account.
- Check your email for username and password
- Go to the login page at <http://www.NinjaResponder.com/login.htm>
- Log into your account.
- Click on “add new” button and then, “create list”
- Name your list
- Describe it
- Complete any branding information that you choose
- Use email address where you want to show emails are coming from
- If you’d like to be notified when someone subscribes or unsubscribes, you can fill in the notification email address, but it’s recommended that you leave it blank.
- Save
- Go to next video for creating optin form
